Quando Privacy Policy

1.0 Statement

Quando Business and Management Solutions inclusive of all business units, have a commitment to be the premier telephony provider for its clients.

This Policy outlines how we are subjected to several obligations to protect the privacy, security, and confidentiality of personal information. Depending on the circumstances, these may include the Australian Privacy Principles ('APPs') in the Privacy Act 1988 (the Privacy Act) and laws relating to the protection of health records. The purpose of this policy is to clearly communicate how we collect and manage personal information.

2.0 Purpose

2.1 Quando Business and Management Solutions ("Quando") is a Professional customer contact, consultancy and service delivery provider.

2.2 Quando Business and Management Solutions is committed to the protection of your personal and health related information in accordance with the Privacy Act 1988 (Cth) (Privacy Act) and the Australian Privacy Principles. This privacy policy explains how the Quando Business and Management Solutions collects, uses, holds, and discloses personal information, including your health information and other sensitive information.

2.3 Quando provides comprehensive Customer Contact Service Delivery for small, medium, and large businesses.

We offer a Professional Suite of Customer Response services across all communication channels, including Voice, Web (Live) Chat, and e-booking appointment concierge services. Our agents can book appointments directly into client CRMs and diaries, ensuring seamless integration with your systems.

At Quando, we understand the importance of high-quality customer communication when using third-party services. We pride ourselves on delivering interactions that meet the highest service standards, with 97% of all engagements resulting in a sale or appointment. Every customer receives a professional and courteous experience, starting with a warm greeting and followed by open questioning to capture essential booking details. This information is then accurately entered into your CRM, sent via email or Text Message.

We ensure quality by recording calls for training, feedback, and dispute resolution purposes. Customers may also request not to have their calls recorded.

Our training standards exceed industry expectations, and our agents possess comprehensive knowledge of your services, supported by verbatim scripts and detailed file notes.

All interactions are delivered pleasantly and professionally.

Quando guarantees that all calls will be answered within 60 seconds, and 97% of sales-intended calls will result in an appointment.

2.3 Quando Business and Management Solutions is obliged to comply with the Privacy Act with regards to the collection, use, holding and disclosure of personal information.

10.6 Having appropriate policies, procedures, and training in place for staff; and

10.7 Implementing security procedures for business premises and IT systems.

Unless the Quando Business and Management Solutions is required to retain your personal information in accordance with legislative and regulatory requirements, the Quando Business and Management Solutions will take reasonable steps to destroy and/or de-identify your personal information in secure manner once it is no longer necessary to hold the information for the provision of services to you.

11.0 Disclosure of personal information

In order to perform the functions and activities as described above, the Quando Business and Management Solutions may disclose your personal information to third parties including:

11.1 Where there is a serious threat to life, health and/or safety.

11.2 Treating medical provider/s (including allied health professionals) so that they can manage the patient's health condition and other healthcare professionals to whom we may refer the patient for further healthcare services.

11.3 Organisations that are funding the provision of our services to the patient such as government organisations (including Medicare Australia) and private health insurers.

11.4 Healthcare professionals who engage us to provide them with facilities and services.

11.5 Our related bodies corporate.

11.6 Regulatory authorities.

11.7 Courts, Tribunals, or the police as required or authorised under an Australian law.

11.8 Local or offshore service providers who assist us in carrying out our functions and activities such as software providers, IT service providers, data storage providers, communications providers, medical reporting service providers, medical transcription service providers and debt collection agencies for recovering unpaid invoices; and

11.9 Parties involved in a prospective or actual transfer of our assets or business.

In addition, your images and reports are made available to all medical providers (including allied health professionals) who have been granted access to the Quando Business and Management Solutions' web-based portals, including medical providers who are not involved in your care. Please refer to the section of this privacy policy titled "Access to your information via web-based portals" for more information.

12.0 Consent to Collect, Hold, Use and Disclose your Personal Information

If you are a patient, in most cases, before or at the time of providing you with a health service (or if this is not practicable, as soon as practicable thereafter), the Quando Business and Management Solutions will obtain consent for the purposes for which we intend to collect, hold, use and disclose your personal information. In the event that you are unable to provide or communicate your consent, the Quando Business and Management Solutions may disclose personal information to a 'responsible person' (as defined in the Privacy Act) if it is necessary in order to provide you with appropriate treatment, care or for compassionate reasons, unless you have explicitly requested otherwise.

You may choose not to provide the Quando Business and Management Solutions with consent for the collection, use and disclosure of your personal information,

however, this may mean that the Quando Business and Management Solutions is unable to provide services required.

While we typically store all patient data locally in Australia, some healthcare professionals who refer patients to us or who undertake medical reporting for us may be located overseas and access patient data held by us from overseas.

14.0 Access to personal information

At your request, the Quando Business and Management Solutions will provide you with access to your personal information held by the Quando Business and Management Solutions subject to some limited exceptions permitted by law. If you wish to request access to your personal information held by the Quando Business and Management Solutions, please contact our Patient Support Team. We will advise you of any action that you need to take in order to access your personal information, which may include visiting the nearest Quando site and providing valid photo ID (eg. Driver's license, passport etc).

15.0 Accurate and up-to-date personal information

The Quando Business and Management Solutions will take reasonable steps to ensure that your personal information is accurate, up-to-date, and complete. This will include:

15.1 Confirming personal information when arranging appointments and at each attendance or meeting; and

15.2 Carrying out patient identification checks in accordance with relevant patient standards.

If you need to correct or update your personal information, please contact the Business Operations Manager (whose details are in the "Contacting the Quando Business and Management Solutions" section of this privacy policy) as soon as possible. The Human Resources Manager will advise you of any action that you need to take in order to correct or update your personal information, which may include visiting the nearest Quando site and providing valid photo ID (eg. Driver's license, passport etc).

16.0 Access to your information via web-based portals

The Quando Business and Management Solutions uses secure web-based password protected portals to allow:

- 16.1 Referring medical practitioners, specialists, or allied health professionals.
- 16.2 Healthcare professionals to whom we provide facilities and services; and
- 16.3 Personnel who the above-mentioned health professionals are directly responsible for in their clinical practice (Responsible Persons), to access all images and reports prepared by the Quando Business and Management Solutions (including current and historical images and reports).

These health professionals and their Responsible Persons are able to access these web-based portals with a unique provider number, subject to the health professional agreeing to comply with terms and conditions relating to access, privacy and confidentiality and ensuring that their Responsible Persons comply with these terms and conditions. By agreeing to these terms and conditions, the health professional confirms that the health professional will, and will ensure that their Responsible Persons will, only access information that is required for the health professional to provide a medical service to the health professional's patients (and not the information of other Quando patients stored in the portals) and that the information will not otherwise be used, knowingly shared or disclosed for any other purpose.

Our systems track, record and store all access activities on every patient file. Quando frequently monitors the use of this service and takes all reasonable steps to ensure that the system is being used appropriately for its intended purpose.
